

§ 15A-292. Request for application for electronic surveillance order.

(a) The head of any municipal, county, or State law enforcement agency or any district attorney may submit a written request to the Attorney General that the Attorney General apply to a judicial review panel for an electronic surveillance order to be executed within the requesting agency's jurisdiction. The written requests shall be on a form approved by the Attorney General and shall provide sufficient information to form the basis for an application for an electronic surveillance order. The head of a law enforcement agency shall also submit a copy of the request to the district attorney, who shall review the request and forward it to the Attorney General along with any comments he may wish to include. The Attorney General is authorized to review the request and decide whether it is appropriate to submit an application to a judicial review panel for an electronic surveillance order. If a request for an application is deemed inappropriate, the Attorney General shall send a signed, written statement to the person submitting the request, and to the district attorney, summarizing the reasons for failing to make an application. If the Attorney General decides to submit an application to a judicial review panel, he shall so notify the requesting agency head, the district attorney, and the head of the local law enforcement agency which has the primary responsibility for enforcing the criminal laws in the location in which it is anticipated the majority of the surveillance will take place, if not the same as the requesting agency head, unless the Attorney General has probable cause to believe that the latter notifications should substantially jeopardize the success of the surveillance or the investigation in general. If a judicial review panel grants an electronic surveillance order, a copy of such order shall be sent to the requesting agency head and the district attorney, and a summary of the order shall be sent to the head of the local law enforcement agency with primary responsibility for enforcing the criminal laws in the jurisdiction where the majority of the surveillance will take place, if not the same as the requesting agency head, unless the judicial review panel finds probable cause to believe that the latter notifications would substantially jeopardize the success of the surveillance or the investigation.

(b) This Article does not limit the authority of the Attorney General to apply for electronic surveillance orders independent of, or contrary to, the requests of law enforcement agency heads, nor does it limit the discretion of the Attorney General in determining whether an application is appropriate under any given circumstances.

(c) The Chief Justice of the North Carolina Supreme Court shall receive a report concerning each decision of a judicial review panel. (1995, c. 407, s. 1.)
